PROFILE

I am a passionate MERN Stack Developer with hands-on experience in building modern, scalable web and mobile applications. Proficient in React.js, React Native, Node.js, and NestJS, I specialize in developing responsive, high-performance solutions for diverse client needs. My skill set also includes working with MongoDB for efficient database management, Tailwind CSS for sleek UI design, and Docker for containerized deployment. I enjoy transforming ideas into impactful digital products and continuously exploring new technologies to enhance my development workflow.

EDUCATION

PG Diploma in Blockchain   2024 - ongoing
Kerala Blockchain Academy

Bachelor's Degree in Computer Applications (BCA)   2019 - 2022
WMO Arts and Science Collage
